HAYLEE

three is a magic number

photography by matti klatt

Hey, guys! I'm Shawna the intern. Haylee is very new to the industry, but she's already had some pretty crazy experiences. "I love threesomes," Haylee gushes. "But when they asked me to be in a fivesome? That's when I knew porn was for me!"

Hey, Haylee! Do you like posing nude?
I love it! I wish I had bigger titties, but I *love* playing with my va-jay-jay. It makes me so wet to do it in front of people!
Are you seeing anyone?
I'm between boyfriends. Juggling boyfriends and porn is too much drama.

Have you done a lot of porn?
Not a *lot* a lot. I've done some Internet stuff. I have my own Web site, and I've done, like, handjob videos and stuff for other sites. I've done a few sex scenes. But I want to be in a DVD. Hint, hint!
What's your favorite thing to do in bed?
Definitely threesomes. I love being with a guy and a girl at the same time. Girls are so soft and sexy, and boys are just hot. I love it when guys fuck me good and hard.
Do you like giving head?
Yeah, but only if I can make the guy come in my mouth. I was dating this guy who always pulled out and came on my tits. It was hot at first, but I wanted to swallow!
You like the taste of cum?
Mmm-hmm. I love it! But what I *really* love is feeling the guy's cock explode in my mouth.

AGE: 18
HEIGHT: 5-3
WEIGHT: 102 POUNDS
MEASUREMENTS: 34A-26-32
HOMETOWN: SAN DIEGO, CALIF.

Do you like going down on girls or guys better?
Both! I love BJs, but going down on girls is sexy because it's *so* taboo. I love just playing with girls because women have gorgeous bodies.

What's your ultimate sexual fantasy?
I'm living it! Porn is great because you get to live out all the crazy sex fantasies you've ever had. I guess my fantasy now is to make movies and become a huge star! ★

PANTY CONTEST WINNER

Reader T.M.'s Cinderella story was so cute and sweet, we had to give him Tessa Taylor's panties. We hope they make him live happily every after!

Dear Lindsey,
When I looked at the back page of the February issue showing us what was to come in the March issue, I knew I wanted Tessa's panties. Those feelings were reinforced when I looked over the pictorial and read the interview. It goes without saying that Tessa has a knockout body—which, I may add, I would love to caress, lick, kiss and suck every inch of. However, what is also important to me is a woman's face, and Tessa possesses a very beautiful face, which is why her very first picture is one of my favorite poses in the pictorial. I love to look in a woman's eyes when making love with her, and having a beautiful face exceeds having a knockout body. In Tessa's case, it's an added bonus that she has both. She is so sexy and desirable that I got rock-hard just reading the interview, and that was without touching myself.

If I won Tessa's panties, I would put them in a Ziploc bag so none of her womanly scent would escape until I'm ready to indulge in her hotness. I would then have to pull a page out of the Cinderella story and actually eat Tessa's sweet pussy to verify that the panties actually came from her.

Tessa said her best sex lasted for hours. I could/would make love to her pussy with my tongue and lips and not get tired of it, because that is my favorite thing to do to a woman. We would have all night long to get to my cock, when she would be ready for it. I would do everything necessary to have her come multiple times. It is more important to me to totally satisfy a woman over me being satisfied. Tessa's poses where she spreads her pussy lips are my favorite ones because they make me want to dive right in and devour her hotness.

Lindsey, you said that Tessa was so hot, you had to play with yourself. That's understandable. If I had the chance to do my Cinderella reenactment with Tessa, you could join in, and I would take care of you as well.

Hey, it's Lindsey. I'm back with more letters from you guys answering the question, "What would you like to see in BARELY LEGAL?" We barely made a dent in the pile last month, and the letters are still pouring in!

Dear Lindsey,
In the January issue you asked for input from us, the readers of BARELY LEGAL. I hesitate to make any suggestions. You have heard the expression "If it ain't broke, don't fix it." You have been doing such a fantastic job that making any suggestions becomes a difficult task. But since you asked, here goes.

You mention that some of the guys prefer furry coochies. Personally, I prefer them clean-shaven. Thankfully, most of the models still are. Why hide that part of their beauty? I realize that it is an impossible task to please everyone all of the time.

As for girls playing with naughty toys, I would vote no on that. Why plug up a gorgeous pink pussy with a piece of plastic?

Yes, it would be nice to see some of the models in sexy lingerie. But don't hide their most intimate beauty.

You are right—please, no tattoos and extensive body piercings. Those just spoil an otherwise gorgeous body.

Yes, I would like to see more girl/girl spreads where they lick each other's pussies. I also think it is quite erotic to see two beautiful women in a sensuous mouth-to-mouth kiss.

I am one of those guys who likes to see girl's peeholes super close-up. You certainly have my vote to show more of that.

As for body types and hair color, I don't have a preference. They are all beautiful. Oh, and, yes, I would love to see a ten-page spread of a gorgeous brunette with big brown eyes and floppy hair and a juicy booty that edits a magazine.

Dave
Idaho

Dear Lindsey,
Here are my suggestions for future issues of BL:

Dildos? Never, not one!

Lingerie? No, less cover, not more.

Sexy high heels? Isn't this an oxymoron?

Pubic hair? Sure, it was a turn-on when I was 13, but most of us mature with time. Why not hairy legs and pits? If you must, please use judicious pruning.

Piercings and tattoos? These belong in the circus sideshow.

Super close-ups? They sure don't turn me on.

Buttholes? One per person is allotted, so one is plenty.

Body shape, size, hair color, etc. I'm eclectic here, don't change.

Girls with girls? Yes, yes, yes. Big photos, please—little ones don't work.

Lindsey, I really hate the photo captions such as "I love that my butthole is *sooo* tight." C'mon, this is my fantasy, I don't need help. The captions are distracting and take from the quality of the fantasy.

Your magazine is unique, it's by far my favorite! Please keep it so.

L.S.
Colorado

L.S., you are so totally right about the captions. Sometimes we try things, and they just don't work. So, POOF, the captions are now gone—thanks to you! ***—Lindsey***

Dear Lindsey,
To answer your questions of what I would like to see between the pages of BARELY LEGAL:

I love women with piercings, especially a hot chick with a pierced slit. Lovely pussy jewelry is very nice. Pierced nips drive me crazy to play with her tits. Love tattooed ladies. Seeing them gets my dick stiff.

Two barely legal lezzies are fun to see. Wide-open pussy and butthole shots with toys stuffed deep inside get my sex drive in overdrive.

Love to see more redheads grace the pages, especially a true redhead with hair in all the right places. Asian petite little ladies drive my dick crazy. Even better—more hot ladies of the Pacific Islands would be greatly appreciated.

Keep the furry little ladies with hairy slits coming. A furry pussy is fucking outrageous. Just like the lovely hairy-pussy ladies Demi, Willow and Kristen [January 2010]. Hopefully there is an *All Bush #3* special issue in the works.

B.C.
New Jersey

B.C., you love some things that most of the readers really do not like—namely, piercings and tattoos. We may not be able to bring you total happiness in those areas. BUT we hope this makes you happy: There's already a third volume of Best of BARELY LEGAL Presents: All Bush! You can order it online at HustlerMagazine.com, or you can send a check or money order for $15 to: LFP Publishing Group, LLC, 8484 Wilshire Blvd., Ste. 900, Beverly Hills, CA 90211; Attention: Back Issues Dept. For credit card orders, call 1-800-763-8271, ext. 7651. (No international orders—sorry!)

Oh, yeah—this might make you happy, too: All Bush #4 is coming out this summer! ***—Lindsey***

Dear Lindsey,
I am writing to let you know what I would like to see more of in your magazine, the number-one adult magazine in the world! Please keep the hairy pussy coming. It just looks normal for a young cutie to have hair down there. I would also like to see more Latina hairy young ladies and black hairy young ladies, too. But there is one photo I would like to see, and that's a young lady lying flat on her stomach, legs spread apart, reaching back with her hands, spreading her ass so we can see her asshole and pussy-hole at the same time—up-close. Just like you're lying on page 18 of the January issue.

Please keep the close-up photos coming, too. More butthole photos. But, please, no dildos—they cover up everything. No piercings or tattoos! Oh, get more petite young ladies—I think they are so cute. More girls with big pussy lips, like Demi [January 2010], who is hot as hell. Love her bush down there. Keep up the good work!

L.B.
Maryland

Dear Lindsey,
Thanks for asking what I'd like to see in BL. I think the magazine is just great the way it is. I'm really glad you don't do piercing and tattoos. A woman's body is too beautiful for that crap. Same with dildos and plastic junk—it just gets in the way.

I'm also happy that bush is coming back in style. The way it looks is a turn-on, it holds the musky smells, and it's great to rub your dick on. The more bush, the better!

Sexy lingerie would be a great addition. It's nice to see girls dressed up. School skirts, cheerleader outfits and so on are good, too. One thing I'd like to see are shots looking up a girl's skirt, sitting with her legs spread—a nice bush would be perfect.

Two girls together is okay once in a while, but not too heavy on the lezzie stuff. I live in lesbo land (SF Bay), and, really, dykes are grumpy, dumpy and not sexy.

Buttholes, yes, but sometimes there is too much made of anal. Pussies are the best for fucking.

BARELY LEGAL is a great name, but I'd be okay with girls up to about 21.

One thing I haven't seen are really tall girls. I've seen some really tall (6-2, 6-3) young women that look fantastic.

My favorite type: brown hair; brown or green eyes; nice smile; full, not huge, boobs with pointy nipples slightly turned up; thin waist; curvy ass; long legs; and a full bush.

Keep up the good work. BARELY LEGAL is the only mail I look forward to getting.

B.C.
California

Dear Lindsey,
Loved your picture in the January 2010 issue. You have a very nice butt.

Hey! You asked some questions on your page, and here are my answers.

Furry coochies or shaved pussies? I like both, although I'd rather see trimmed hair than "jungle woolly."

Naughty toys? A toy being licked or sucked is somewhat stimulating, but a toy in the pussy? NO! It blocks the view. I like to see unobstructed pussies.

Grown-up lingerie and high heels? Are you kidding? This is BARELY LEGAL Magazine, not *Hookers Gone Wild*. Keep the girls wearing normal girl-next-door clothes. There are other magazines for lingerie-clad women.

Tattoos. I don't like them. I don't understand why girls get them. The naked female body is a work of art. One would not travel to Paris to see a "tagged" Mona Lisa and say, "Wow, that looks better." Tattoos do not enhance a female body. Piercings are the norm now, I guess, but I don't like multiple piercings in a single body part.

Girl/girl? Doesn't really turn me on, but I hear it does some other guys, so maybe one set per issue (well, maybe one per every other issue!!).

Peeholes, pussy-holes, buttholes? Yes, yes, yes. But super close up, like a full-page, top-to-bottom pussy picture, would be a little weird. Close up, but a quarter or a third of a page in size. I do like the two-page photos of the girls spreading their pussies, but I prefer the way Wendy does it, rather than Mia's way [January 2010].

My favorite type of girl? Lindsey, you are the standard by which others are judged (I always turn to your picture first), but my dream girl would have red hair, green eyes, 34A or B boobs, trimmed red bush and be tall—5-10 or taller. I'd love to see her in the magazine, but, hey, I think you're doing a great job—I like all of the girls you pick to appear in BARELY LEGAL.

Keep up the good work.

K.H.
USA

Dear Lindsey,
In the January issue, you asked for suggestions as to what your readers like. First off, about the fur/no-fur controversy: Either is great, but I've licked enough pussies and gotten enough hairs in my teeth that I prefer the bald look. If a girl has a very trimmed one, with the area around the lips shaved, that's fine. But my fantasy is the completely bald pussy.

I don't care for large tattoos on a young girl. The reason I buy BARELY LEGAL is to see girls who look young, and large tattoos do not make a girl look young to me. Neither do pierced pussies. Pierced belly buttons are okay. Pierced ears are okay, even if there is more than one piercing in each ear. But don't overdo it! Fish hooks in the lips or eyebrows are out. A small stud in the nose isn't too bad, but, again, don't overdo it. For some reason I think tongue studs are hot, I don't know why.

I like to see girls who put fingers in their cooches and buttholes. That makes me think they are very hot and like to be penetrated. Maybe that's why I like tongue studs and pierced belly buttons. It suggests the desire for penetration.

I like pictures of a girl just standing or kneeling with a clear frontal view of her cameltoe. I love to see that little cleft. It doesn't show as well if she has a full bush—hint, hint! I like girls with cleft chins, I think they are sexy. As for body types, I think thin, with smallish boobs, are just about it.

Some of your models in their interviews mention not wearing panties. One thing I would love to see more often: The hottest picture I could ever imagine is a picture of a girl still dressed in a skirt or dress, sitting down, looking right into the camera, flashing a pantyless up-skirt at me. The hottest would be if there were other people in the background, unaware of what she is doing. To me, that's the ultimate way a girl could flirt with me!!

J.G.
Illinois

That last idea is awesome, J.G.! I'm going to have a little talk with our photographers.... ***—Lindsey***

Dear Lindsey,
You asked in the January 2010 issue what we were looking forward to in your upcoming issues. Here is my wish list:

Every issue should feature a blonde, a brunette and an exotic woman (Latin, black, Oriental or a woman from India).

Models in heels and stockings (not pantyhose) are always HOTT!

I LOVE, I mean really LOVE, to see a woman nude from behind. The cute calves, hot hamstrings, luscious labia and awesome ass really get me EXCITED!

I'd like to see the models bottomless, with their tits covered. Dresses raised, with panties down below the knees, are SWEET!

Personally, I don't like toys.

The only complaint about your magazine is the models using their hands to pull their pussy lips apart. To me, that's not attractive. Open legs: WOW. Hands opening pussies: NO!

F.
by Internet

F., your last comment totally took me by surprise. I always thought guys wanted to see every little bit of our pussies—especially the inside. I'd love to hear what other readers think! ***—Lindsey***

Dear BL and Lindsey,
I wanna say, thank you so much for getting me back in my groove. I am a new subscriber. My first issue was January 2010. Wow, what an awesome world we live in—very sexy, young, hot girls in your mailbox!!!

[To answer] some of your questions:

I love bald and beautiful pussy. I fully shave my privates clean and clear.

Dildos are fine, when limited. High heels suck—I really enjoy seeing 18- to 21-year-old girls in their petiteness and innocence.

Perhaps a few more petite redheads in 2010?

I only have a few *BARELY LEGAL* DVDs. Not to worry, I plan on buying a lot more very soon—mainly *BARELY LEGAL #100*, *BARELY LEGAL #102* and *HUSTLER XXX* #10.

Lastly, my favorite girls: Tessa Taylor [March 2010], Casey Chase [March 2010], Lucy [May 2007], Nickie [May 2007] and Kara [May 2006]. Where can I find Lucy, Nickie and Kara at these days?

M.W.
Kansas

M.W., sorry, but I don't know where Lucy, Nickie and Kara are these days. I can tell you where Casey Chase is—in our August 2010 issue, out next month! ***—Lindsey***

Dear BARELY LEGAL,
I just have to say: I love to see the A-cup girls [Kacie and Morgan Dayne] in the March issue. It's so nice to see.

M.F.
Idaho

I hope you love this issue, M.F. We have three A-cup girls—and one double-A! ***—Lindsey***

Dear BARELY LEGAL,
I think your February issue could be the best ever! Alexis Ford is hands down and cocks up the hottest girl ever. She is built like a goddess, so my 48-year-old cock was already rock-hard, and then I read about her love of anal sex and cum dripping out of her sweet asshole, and I blew my wad! Please have more Alexis in the future.

J.R.
Tennessee

We will, J.R., and so will you. Alexis is so super hot, we're bringing her back for a fourth time later this year! ***—Lindsey***

Dear Lindsey,
I am a lover of the female butt and, more particularly, a doggy-style rear view of her butthole, pussy and bush, if she has it. Both you and Alexis Ford, who spread her cheeks for a clear view of her butthole, and Evie, April, Christine, Felicia, Jerry, Allyssa and Faith gave me the view that really turns me on.

I have no idea who I can thank for the decision that brought the female butt back to the glory it deserves. If it's you, Lindsey, then you are the connoisseur of one of the arts that deserves an accolade from all of the male gender. *Please* never allow the butts to be obliterated ever again.

My very best wishes to you, your staff and everyone who is a part of the BARELY LEGAL crew.

H.L.
Florida

Yep, it's me, H.L.—with lots of help from readers who write in, like you! Thank you—and thanks to everybody! ***—Lindsey***

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, you have officially blown my mind. Ever since I asked you a bunch of questions in my January 2010 column about what you want to see in BL, the letters have been pouring in. Just look at *Dear BARELY LEGAL* this month! *Four* pages!

Anyway, I've been getting lots of, like, positive reinforcement about some of the stuff we already do, but I'm also learning *so* much *new* stuff. For instance, a bunch of you guys want to see taller girls—like, 5-10 or taller! I don't meet *tons* of Amazon girls, but next time I see one, I'm totally grabbin' her. Also, I knew some guys had a thing for redheads, but I didn't know *how many*. You want 'em to have red bush, too. I'll do my best!

I was honestly surprised to hear that you don't want every single girl to be smiling in every single photo. That's a super helpful thing to know, 'cause some girls *aren't* always automatically smiling, and we always would rather let them be natural. Which leads me to...natural boobs. You guys love 'em! Don't worry—our no-plastic-titty policy will *never* change.

Another thing that will never change is girl/girl layouts. It turns out, some of you are into them, some of you aren't, but *mostly* what you say is, you like to see them *sometimes*. So that's the plan!

Finally, what's your favorite type? That question got my *favorite* reply. You all have your things that make you extra happy: big boobs, small boobs, blond hair, brown, curvy, petite. But in the end, every reader says the exact same thing: that really, you like *all* the girls. The main thing you want, always, is variety. That is so awesome, 'cause to me, every girl in BARELY LEGAL is special in her own way.

And so are you guys! Special, I mean. Thank you, thank you, thank you for all your letters. Love ya!

xxx Lindsey

SARA

slow ride

Howdy! I'm Shawna the intern, and this here's Southern belle Sara. She's a sweetheart with an even sweeter pussy—I bet it tastes like peaches!

Hey, Sara! What do you think is your best physical feature?
My butt. It gets the most compliments from guys—and stares. It helps when I wear tight jeans.

Do you ever get naked in public?
No! Too many people. But I like being naked when I'm home alone.

How often do you masturbate?
Every day! Shoot! I get antsy when I have to go more than a couple days without an orgasm.

What do you fantasize about when you masturbate?
I think about all the cute guys at school and what I'd like to do to them.

AGE: 18
HEIGHT: 5-4
WEIGHT: 100 POUNDS
MEASUREMENTS: 30A-21-30
HOMETOWN: MONTGOMERY, ALA.

What are your turn-ons?
Nice personality. I like guys who are really funny and confident. Pretty boys turn me off.

How do you like to be fucked?
Most of the time I like slow, romantic, sweet sex. But sometimes rough sex fits the passion of the moment.

What's the best sex you've ever had?
I *love* morning sex! I like to wake a guy up with licks and kisses, get him hard and ride him slow. Sadly, I don't get to do it too often, 'cause I live with my parents. It's almost impossible to sneak guys in past them!

Did you like posing nude?
Heck, yes! My pussy was dripping wet thinking about all the guys who were going to see me naked. I felt like Jenna Jameson or something! ★

JENNY

generation sex

"I'm *sooo* sick of how the media portrays my generation as desensitized Internet addicts," gripes 18-year-old psych major Jenny. "My friends and I are totally in touch with our feelings. We settle every disagreement with a group hug," Jenny explains. "If Jilly's *really* mad at me, I slip my hand inside her panties and finger her snatch. Mark heals his anger by shooting his creamy load on my tits." Jenny cradles her full breasts. "If society followed the examples of BARELY LEGAL teens, the world would be a better place." ★

HOMETOWN: OLYMPIA, WASH.

I'm Shawna the intern. Michelle was one of our most popular Teen Queens of the Month ever, back in February 2008. She posed again for our September 2008 issue, but we still can't get enough. You can see why!

Hi, Michelle. What's new?
I'm just getting ready for my summer vacay. I got an internship with a cool teen mag in New York. I'm excited to start working, but I want to hit the beach as much as I can first.

We noticed! That's pretty daring, getting all butt-naked on the beach in broad daylight. How did you get away with it?
I got up *really* early, and we went to this, like, secluded spot. But it wasn't *totally* secluded. There was this one guy who was watching us shoot the whole time!

Wow, that must have made his day! Did you like being watched?
It was kind of a turn-on. I mean, I like it when guys notice me. I kind of put on a little show for him.

Have you ever had sex on the beach?
No, but that would be awesome. That's one of my fantasies—or it *was*, until I realized that you get sand *everywhere*!

Have you ever had sex in public at all?
Yes, in the library during finals week. Sex is the best stress reliever!
This is your third time in BARELY LEGAL! Any thought of being a pro model? Or a porn star?
Yes and no. I *love* sex, and I have fun posing nude for you guys. It's exciting to be in BARELY LEGAL. But I don't know if I have what it takes to have sex actually on camera. What do *you* think? ★

LITTLE LADY, BIG CITY

A BARELY LEGAL CONFESSION
BY DEEDEE D'ANGELO
PHOTOGRAPHY BY DAVE NAZ

Hi guys, remember me? My life has changed a lot since you saw me last (*I'm Just Me*, Anniversary 2009). For one, I finished high school—what a relief! Plus, now I'm 19. But the biggest deal of all is that I left New Jersey, and I am now a resident of NYC. Pretty cool, huh? My parents weren't too thrilled 'cause they wanted me to go to college right away, but I need time to experience life after high school. I don't even know if college is my thing.

I'm supporting myself, so there isn't a whole lot my folks can say. I'm broke but super happy. I work at a health food store in the East Village, and I share an apartment in Brooklyn with my roommate Eve. Our hood is kinda beat-up, but it's not sketchy—just a lot of Polish people, and they're cool.

Our apartment is beyond tiny, but we're such good friends that it's not a problem. Which is a good thing considering that we're on top of each other. Like, literally. We actually share a bed. I know what you're thinking, but Eve is not my lesbian lover. Sure, sometimes we do things that count as gay, but it's like a friends-with-benefits thing. We are open-minded peeps. Having the option of 69ing your roommate makes sharing a bed more fun.

Eve's hot—blond, green-eyed and big-boobed. Like, the complete opposite of me. But I guess she thinks I'm cute, too, 'cause she has no reservations about licking my pussy. She's really into it, actually. Like the other night, we were lounging in bed watching this rerun of *The Jeffersons*. I know. My parents were still kids when that show was on! But we only get one fuzzy station on our TV, and besides, it's an awesome show.

"That's Lenny Kravitz's mom," Eve said.

"You are lying," I gasped. "Weezy?"

"No, dumbass," Eve laughed. "Helen!" Eve is, like, the queen of random trivia.

"Lenny Kravitz is hot."

"He was married to Lisa Bonet for a while," Eve said. "She's hotter."

"You are such a lez."

"Whatever. You are, like, addicted to my pussy." She wiggled out of her panties and spread her legs.

Eve's pussy is super sweet and pink. She keeps it shaved clean, but she doesn't mind that I'm furry. Which is great, because without my bush, I just wouldn't be me!

I licked Eve's pussy lips, pressing my tongue against her clit, sliding back down, flicking the tip against her opening. She moaned as I lapped back and forth, slowly. Occasionally I stopped to lick and nibble her inner thighs. I wanted to tease her, so I stuck my tongue inside her and just sat there for a minute without moving. She was like, "*Unnghg*!" She squirmed against my mouth and kind of, like, had sex with my face. It was so hot.

Her cooch quivered on my tongue. She was about to come. My tongue still planted inside, I wrapped my lips around her and sucked. That was all she could take. She jerked and shivered and came.

"Damn, Dee," she panted. "Wow. Okay, your turn."

I kneeled over Eve's face, rocking my pussy against her outstretched tongue. It was hot and slippery. I slid slowly up and down her tongue. I was so worked up I could have seriously come right away, but I wanted it to last a little longer. I slid down and dragged my nipples across her tongue, dipping each tit into her mouth. I pressed my pussy against hers, grinding as she sucked my nips. I tried to slow my gazz, but the coochie humping was way too exciting.

"Omigod, I can't wait," I moaned, my wet clit sliding against hers. I squeezed my eyes shut and squealed as I came. I collapsed beside her, panting. Naked and wet with girl juice, we fell asleep.

I'm really lucky to have a friend like Eve, 'cause we can have sex without being, like, weird or jealous or anything. I mean, we aren't in a relationship. We both love guys, *duh*! I don't know if I want a serious boyfriend, but I like to hook up. And I'm always up for trying new things.

Like a couple of weeks ago when I went to this art opening in Williamsburg. I didn't know anyone there, but I'm an adventurous person. There was nothing hanging, just a warehouse with walls painted floor to ceiling, and a ton of people with tattoos and cool haircuts milling around, drinking. I stopped in front of a giant penis done in gold spray paint. A scruffy guy with heavy-framed glasses stood beside me.

"Pretty lame," he said, scratching his stubbly chin. I didn't know if it was lame or not. I don't know anything about art.

"You think so?"

"It's like a 12-year-old trying to make graffiti. It isn't street."

I didn't know what to say.

"You live close by?" I didn't mean it like a come-on, but it turned out that way.

An hour later, we were at his apartment. It was, like, closet-sized, but he said he'd had it with roommates and would rather live in a shoebox than share a place.

"At least till I meet the right girl," he said.

He was moving pretty fast, implying that I would be the one or something. But I guess I was moving pretty fast by going to his apartment. I swear I'm not a total slut. Gerard (that's his name) is a cool guy with a great vibe.

"Well, it's a nice place," I said. He had a twin-sized mattress, a folding chair and a desk. The walls were lined with shelves and crammed with books.

"You want something to drink?"

"Okay."

We leaned against the kitchen sink and drank Pabst Blue Ribbon. He told me about his bartending job and his band (it's prog rock, whatever that is). I told him about my hometown, about my job, about how I didn't know if I wanted to go to college. He told me college didn't do him much good. Then he kissed me.

He tasted like beer and salt, and he smelled musky but not dirty. Smelling a man's sweat, just a tiny bit of stink but not too much, makes me horny.

"Can I touch your pussy?" He fumbled with my fly. It was polite of him to ask.

"Yes," I said, shimmying out of my jeans. He dipped his hand into my panties and slid his finger between my lips. I was wet already.

"Fuck, I love a fuzzy pussy." He slid his finger into my hole. I rocked against his hand. He unbuttoned his corduroys and pulled out his dick. It was super hard. I stroked it slowly. We fondled each other for a while. His dick dribbled pre-cum.

"Let me taste it," he whispered, spinning me around. I braced myself on the sink. He dropped to his knees and licked me from behind, his tongue darting from my clit to my pussy to my ass. He wiggled his tongue against my booty-hole. No one had ever rimmed me before. It felt amazing.

"Oh, yeah," I moaned, slipping a finger between my pussy lips and stroking my clit.

"Your ass is fantastic," he said. "Will you let me fuck it?"

I had never done it in the butt, unless you count the time my friend Mark stuck his finger in it. I was a little nervous, but Gerard seemed like a great guy, so why not give it a try?

"Okay."

He kissed me hard and deep, leading me the few steps to his bed. We fell onto the mattress, tongues lashing. He pulled off my remaining clothes and flipped me onto my belly. He was kind of in a frenzy. He slid his boner between my cheeks.

"Go easy," I said. "My butt's virgin."

Gerard pressed his thumb against my winker and massaged in slow circles. I bent my knees and lifted my ass slightly, moving with him. He nudged his thumb inside. I breathed deeply, enjoying the sensation. He planted the head of his dick beside his thumb. Slowly, he slid his thumb out and his dick in, just the head at first. He spit, saliva landing on my butt and mixing with his pre-cum. Inch by inch, he pushed further into me.

It felt weird at first—not bad, just unfamiliar. But the longer we did it, the better it felt. My ass relaxed. His cock was all the way inside. It was like nothing I'd ever felt. We moved slowly, rhythmically. My clit was vibrating. When Gerard came in my ass, it was like every nerve in my body was shivering. And not to be gross, but the feeling of his cum dripping out my butt was totally sexy.

When I told Eve about it, she totally freaked.

"You let him do you in the ass on the first date? Not *even* a date!"

"It didn't feel perverted or slutty. You'd understand if you met Gerard. He's cool."

"If you say so, freak. Maybe we could double-date."

Eve is dating this guy from NYU, Henry. He has a job housesitting for some rich people with a place on the Upper East Side—super spacious and modern with big windows and hardwood floors. Eve decided we should all get together at his place. She'd cook spaghetti (that's all Eve knows how to make, but she's really proud of her meat sauce) and we'd hang out and watch a movie.

We never got to the movie. We ate and drank wine. Eve decided that she and I should put on a lesbian show for the guys. I was like, why not, and of course the guys were game. It didn't take long for things to turn into, like, a full-on porno movie.

The guys sat on the couch. Eve and I 69d on the chenille rug. I have to say, licking pussy for an audience of cute guys is super arousing.

"Deedee licks a mean pussy," Eve mumbled around my cooch. "Henry, you think you can compete?"

Henry pulled Eve off me. Eve sat on his face. It was hot to watch. Henry is sexy—he reminds me of James Franco, but less of a stoner. Eve moaned, rolling her hips. Henry slurped away, pulling his dick out and stroking as he licked. That scene was making me insanely horny. I turned toward Gerard, still watching from the sofa. I leaned back on my arms and spread my legs.

"Don't you want to fuck me?"

Gerard didn't answer. He just lunged across the room and pushed me to the floor. He pulled out his dick and pushed it into my wet pussy.

"God, yes," I moaned, wrapping my legs around his waist. There is nothing as satisfying as a hard dick in your pussy.

Eve decided we should trade.

"Don't you want to see what it feels like to fuck your best friend's guy?"

I did want to see. We sat on each other's dates, side by side, bouncing on their cocks in sync. Henry's cock was fatter than Gerard's, but Gerard made up in length. Eve and I watched each other. We leaned over and kissed, our tongues in each other's mouths. I was going to come, and so was she.

It's kind of a blur. I started to quake. My eyes rolled back. Henry's cock was making me come. I mean, everybody was coming. All four of us. It was like a symphony of moans and shudders and shrieks. Jizz everywhere. It was seriously great. When you have true friends, and an open mind, you can experience the most incredible stuff.

I don't want to go to college, you guys. I want to live like this, feeling the whole world—and my hot friends—inside my body. Thank God for New York City! ★

BONNIE

Hey, it's Lindsey. Recent grad Bonnie says she was "way too shy" in high school, so she decided to make a fresh start in life by posing for BARELY LEGAL.

"But," she says, "I never dreamed I'd be picked for *Teen Queen*. This is an *awesome* start!"

Main personality trait: I spend, like, way too much time thinking. Sometimes I wish I could turn my brain off for a little while and just go crazy and not worry about consequences.
Nickname: Clyde.
Romantic status: I've never had a serious boyfriend. That used to bum me out, but now I'm glad I'm going to be single when I start college this fall. This is the time to experiment and not be tied down!
Best physical feature: My lips. I hated them growing up 'cause the other kids would make fun of me and ask if I got punched in the mouth. But now girls have to get stuff injected into their lips to look like mine. Mine are 100% natural.
Fave hobby: Making collages. It's the way I express myself.
Something no one knows about you: I've had way more sex than people seem to think. Just 'cause I'm shy, that doesn't mean I'm a nun!
Biggest turn-on: Guys with glasses.
Biggest turn-off: I can't think of anything! I like to keep an open mind.
Fave method of masturbation: I rub my pussy with my fingers. That's why I shave down there—I love to feel the smoothness.
Fave sex position: From behind, so it goes extra deep.
Best way to come: I love when a guy licks my pussy, especially if he does it kind of rough.

To bi or not to bi: I haven't tried sex with a girl yet—but I'm hoping my roommate this fall is hot. ;)
Best sex talent: It might sound conceited, but I'm awesome at BJs. One guy said right after I gave him one that it was in the top ten blowjobs of his life.
Spit or swallow: A lady always swallows!
Anal, yay or nay? That's another thing I've been saving for college. I'm definitely not against the idea.
Ultimate goal: Ultimate? I don't know yet. My goal for *now*? To make a big splash! ★

SAMANTHA STONE

anything goes

photography by sage chicks

Hi, guys! Devon the intern here. Recent high school grad Samantha Stone will try anything once—like getting butt-naked and spilling all her dirty secrets.

Hey, Samantha! What would you say is your hottest body part?
My lips. They're perfect for kissing—among other things.

Do you like giving head?
I love it! Sucking, licking, kissing, teasing—sometimes even biting! I love keeping my mouth busy.

Do you like receiving as much as giving?
Yes! Maybe more. Sometimes it takes me a while to have an orgasm when a guy's going down on me, but when I do, I explode!

How far do you go with a guy on the first date?
Usually just kissing. Maybe I'll let him touch my boobs. But if I *really* like the guy, and if he's bold enough to put his hand down my panties, I won't stop him!

Do you like getting naked in public?
This was really my first time being naked outdoors. It made me feel naughty—which is *good*—but I was super afraid the neighbors might see me.

What's the naughtiest thing you've ever done?
I gave a football player head in the school bathroom. He came in my mouth, then I sat on the toilet and he ate my pussy!

AGE: 18
HEIGHT: 5-4
WEIGHT: 110 POUNDS
MEASUREMENTS: 36B-24-34
HOMETOWN: WOODBRIDGE, N.J.

What's your ultimate sexual fantasy?
I guess the ultimate would be to have sex with two guys at the same time—especially if one of them was my math teacher! *Omigosh*, he's *soo* hot!
Would you let him do you in the butt?
Hey, it's a fantasy, right? Anything goes!
Did you like posing nude?
I loved it! I can't believe I did it! It's *such* a turn-on. It makes me feel confident about my sexuality. I just hope my parents don't find out! ★

"I came out of my shell in college," confesses cutie-pie **Karri Dove** of Youngstown, Ohio. The curvy coed started out by flashing her 34Cs at frat parties and has worked her way up to experimenting with "a few girls." We *knew* we should have studied harder in high school! Karri keeps her 110-pound bod in shape by running, dancing and doing yoga (*ooh*, flexible!), and she loves to sculpt and paint (we'll pose nude for you, Karri!). Sex-wise, this newly legal nymphette is "kinky" and "spontaneous," her favorite activity is foreplay, and the best way for her to come is "cowgirl-style." Also, she likes "being spoiled," and she prefers "shy guys" and "quiet types." Karri, we're girls, but we promise to be quiet! —*photos by friend*

Eighteen-year-old **May Lin** of Anchorage, Alaska, says she's "outgoing, out of the ordinary, fabulous, unique," and she's not being conceited, 'cause it's all true! The naughty former cheerleader says her best physical feature is her boobies (how can you choose?!), and she shaves her coochie 'cause she likes it "soft and smooth down there." May Lin is "not really bi," but, she admits, "I like girls. But I want them to eat me, not me go down on them. I like to be pampered and spoiled." We can do that! May Lin says she can't have an orgasm alone—"got to have that dick." We can't help there. :(The five-foot-tall cutie plans to go to college in Arizona soon and hopes to become a "bartender in the hospitality industry." Smart *and* knows how to make a Long Island iced tea? We're in love!

KATE

the greatest love of all

Hey, it's Lindsey. Recent high school grad Kate might look like a total lady, but she's full of surprises!

Hey, Kate! That's some pretty fancy underwear.
I wanted to look nice my first time posing nude!
Are you a nice girl?
What do you mean? I'm not a *virgin*.
Sorry, I wasn't accusing you. Have you had a lot of sex?
I have sex all the time. It's honestly my favorite thing to do.
What kind of guys do you like?
Older guys. They appreciate a girl like me who likes to look nice and acts mature.
Do you think older guys are better at sex than young guys?
Yes, especially at butt sex.
What? You've already had butt sex?
Of course! That's the main way to prove to a guy how much you like him.
Kate, you shouldn't let anybody talk you into doing stuff.
I don't! If I really like a guy, that's what I want to do—have butt sex. It's like, I want to share my special forbidden area with the person I love.
That's good, but do you like the way anal sex feels?
Yes, I do! I love the way my butthole feels all full when there's a cock in it. It's like my whole body gets taken over by cock. It's an awesome, overwhelming feeling.
Do you like it better than front-door sex?
Sometimes. In a way, sex in your behind is more intimate.
You know what's *really* super intimate? Getting your b-hole licked.
Omigod, I *love* that! That's another thing older guys are really good at, licking down there. They dive right in.
So basically, you're looking for an older guy who's *not* butt-shy.
I'm looking for an older guy who'll treat me to a nice, romantic dinner, take me home, lick my butthole till I melt into a tiny puddle, then fuck my ass until I scream. Do you know anybody like that? ★

KIRA LANAI & ASHLEY JANE

love at first lick

Hi, I'm Devon the intern. Naughty nursing student Kira Lanai couldn't stop talking about having sex with girls last time she was here (October 2009). Now it's time for show and tell with kinky blond coed Ashley Jane.

Hi, Kira. You weren't kidding about being into girls. Who's your friend?
Isn't she the cutest? I met Ashley at the shoot. She's a sweet girl—*very* sweet!
You guys look really into each other.
There was definite chemistry. I was so excited to be with such a hot girl. As soon as I saw her, my pussy, like, *thumped*.
It looks like you're licking her butthole in one of the shots.
Guilty! Ashley has the cutest butthole of all time.
So, who came first? And who came the most?
I totally came first! When Ashley put her mouth on my *chocha*, I could have died and gone to heaven. But Ashley came the *hardest*. She was, like, screaming and breaking things!
I notice you didn't use any toys.
Yeah, toys are fun, but who needs them when you've got Ashley? Although having a nice, hard cock in the mix would have been perfect.
Have you ever had a threeway?
Once, but it didn't start out that way! I was having sex with this guy, and his roommate walked in and took his dick out, so I started sucking it. Things got crazy from there.
Is Ashley into guys, too?
Oh, yeah. We talked about some of the nastier stuff we've done and how much we both *love* butt sex. She's nastier than me, because she goes from, like, ass to mouth. I mean, I like licking my pussy juice off a guy's dick, but I've never given a BJ after butt sex!
Will you be seeing each other again?
I hope so! She has my number! ★

BARELY LEGAL #103

★★★★

HUSTLER Video. Directed by Matti Klatt; starring Dani Jensen, Tiffany Tyler, Chloe Dash, Alyssa Reece, Rhianna Ryan, Cali Rider, Seth Gamble, Rocco Reed, Dane Cross and Billy Glide.

BARELY LEGAL #103 is not only sexy, but super fun! In the first scene, cute brunette Tiffany Tyler is clutching a puppy to her chest when she greets the dog groomer, then she puts the pooch down to reveal her topless titties! What guy could resist? Not Seth Gamble, who fucks her hard—doggy-style, of course! LOL. Alyssa Reece and Rhianna Ryan hang around by the pool getting all wet—inside and out. They tease each other in this super playful way that looks totally natural to me. I *love* when girl/girl scenes look real instead of like a bunch of acting. Chloe Dash shows off her awesome, bouncy boobs that I wish I had. If I were a boy, I'd totally jizz all over them, but Rocco Reed squirts in her cute face instead. But the one that *really* drove me crazy was five-foot-zero-inch Dani Jensen. I don't know what turns me on the most—her red hair, her little hard nipples or the way she *barely* fits Dane Cross's ginormous cock in her teeny, tiny pussy. *Yowch*! I love the way this movie's shot, 'cause everything is bright and sunny, which makes it extra sexy to me. (I do *not* like nasty, ugly-looking pornos.) The girls in *BARELY LEGAL #103* are so hot and horny, they make me want to go all-the-way lez—for 93 minutes, anyway!

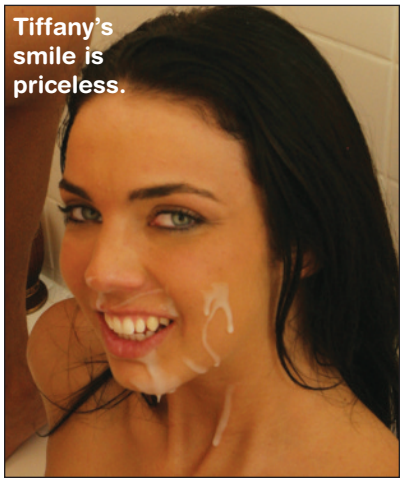
Chloe's laughing 'cause Rocco totally missed her boobies.

Rhianna's all, "Good job, Alyssa!"

Rhianna shows Alyssa what true friendship is all about.

It's a little late for a come-hither look, Chloe.

Tiffany gets her pussy groomed.



Tiffany's smile is priceless.

RUBY

the other side of me

Hey, it's Lindsey. College coed Ruby has a serious side, a fun side...and a backside! Yum!

Hey, Ruby! What have you been doing this summer?
I've been doing a lot of reading. Freshman year was super hard, and sophomore year is going to be even harder. I want to be prepared.

Okay, but what have you been doing for *fun*?
Well, I've been writing tons of poetry and practicing piano and having sex.

Thank GOD you said that last thing. I was worried!
You don't have to worry about me. I manage to squeeze everything in. ;)
How important is sex to you?
It's extremely important! People don't know it, but I'm actually a very sensual person.
Do you masturbate a lot?
I touch myself almost every day.
What do you think is your best physical feature?
My ass. It's very juicy.
I agree! Do you always wear panties?
Yes. I like to unveil my ass slowly. ;)
I bet you also like showing it off doggy-style.
I do! That's definitely my favorite position.
What turns you on?
The rain, kisses on my neck, hot showers.
What turns you off?
Feet.
Are you bi?
Yes. Me and two of my best friends had a lot of fun one night.
What kind of girls do you like?
Petite, funny, playful women.
What kind of guys?
Tall, muscular, sweet guys.
Do you like oral sex?
I love to receive it. It feels good. :)
What about giving it?
I like to give it, but I don't really like the taste of cum.
You don't *have* to swallow. You can spit it out.
That seems rude.
How can a guy make you come?
Fuck me doggy-style hard and fast.
Where do you like a guy to come?
On my ass. I like the feel of the warm cum.
Do you like anal sex?
Yes, it feels good!
What's the best way for a guy to pick you up?
Be yourself! Girls know when you're trying too hard.
What's your dream date?
A nice, romantic dinner and a walk on the beach, ending behind closed doors.
What's your ultimate sex fantasy?
To have sex on the beach while the waves splash up on our bodies.
You're such a romantic! What's the *best* sex you've ever had?
In the backseat of a 1993 Chevy Caprice.
***That* doesn't sound very romantic.**
I know. Sometimes it's more fun to be dirty! ★
